

Ohio Department of Health Welcome to WIC Letter

Dear _____,

WIC health professionals partner with you to develop nutrition goals that support a healthy pregnancy, breastfeeding, and postpartum experience, and growth for infants and children.

I have discussed my nutrition goal with the WIC health professional. I agree to try:

Keep all WIC appointments or your benefits may end.

Your benefits will end on _____ because

Ohio WIC Consent to Receive Text/Phone Notification

WIC provides appointment reminders and notifications by text and/or phone calls. WIC uses prerecorded voice messages and automatic dialing technology. Notifications include local WIC agency announcements, community events, Ohio Department of Health or WIC program information, including notices from the Ohio Department of Health’s Infant Hearing Program, emergency notifications, and nutrition and breastfeeding education. Messages may have protected health information and/or confidential information. Your consent is needed before WIC sends messages. You may have message charges, depending on your phone plan. You may opt out of these messages at any time. Refusing will not affect your eligibility for, or participation in, the WIC Program or the eligibility or participation for any children for whom you are legally responsible. This consent is valid while you are active in the Ohio WIC program or until you opt out through the texting service opt-out option or via notification to WIC clinic staff of the desire to opt out.

_____ I agree to texts and/or automated phone calls.

Your consent is needed before information can be shared with programs or medical providers not listed in the *Information Sharing in the WIC Program* pamphlet. You are not required, but may check or add programs or medical providers below for sharing your information.
