

Body Art Establishment Plan Review Checklist

In accordance with section 3730.02 of the Revised Code, no person shall operate a business offering body art services without first obtaining approval of the board of health in the jurisdiction in which the business will operate. Operators planning on opening a Body Art Establishment in Clermont County must provide a copy of the following items and complete the questionnaire (pages #2 to #7 of this document) and submit it to CCPH, along with the appropriate fees for plan review and approval (see fee schedule):

1. A floor plan drawing (to scale) showing the total area to be used for the business (100 sq. ft. min.); area(s) used for body art services (36 sq.ft. min.); general layout of equipment; location of entrances/exits; hand washing sink(s); restroom facilities; storage areas; sterilization area(s); lighting plan; number, location and types of plumbing fixtures; including all water supply facilities.
2. Written verification from the zoning authority and building department that the proposed location has been zoned and approved for the business use.
3. Documentation of appropriate training in body art procedures (courses, seminars, apprenticeships, or other training).
4. Proof that all persons performing body art services for the business have received training in the following;
 - a. First aid;
 - b. Standard precautions for preventing transmission of bloodborne and other infectious diseases;
 - c. Appropriate body art aftercare.
5. A copy of your written infection prevention and control plan (IPCP) that you will maintain on the premises, review, and update as necessary. At a minimum, the plan should include the following:
 - a. Decontaminating and disinfecting environmental surfaces;
 - b. Decontaminating, packaging, sterilizing, and storing reusable equipment and instruments;
 - c. Protecting clean instruments and sterile instruments from contamination during storage;
 - d. Ensuring that standard precautions and aseptic techniques are utilized during all body art procedures;
 - e. Safe handling and disposal of needles;
 - f. A copy of aftercare guidelines. Per paragraph (A) of rule 3701-9-01 of the Administrative Code, the guidelines shall include, but not be limited to, information about physical restrictions, wound care, signs and symptoms of infection, and when to seek medical treatment, if necessary.

Note: CCPH has a sample IPCP that can be filled in with the information appropriate to your facility.
6. A copy of the written client consent form that you will require the patrons to complete. At a minimum, the consent form should include the following:
 - a. Patron's name;
 - b. Patron's address;
 - c. Date of the service;
 - d. Prompting for body artists to record color and manufacturer of all inks, dyes, or pigments used for each tattoo;
 - e. Prompting for body artists to record Jewelry used, including size, material composition and manufacturer for each piercing;
 - f. Placement of the procedure.
7. A sterilization log that includes the date, time, name of operator, and integrator indicator results (if applicable).
8. A biological indicator (spore test) log that includes the date, time, name of operator, and test results (if applicable). Also provide the name of the testing entity.
9. Minor consent forms to be used (if applicable).
